If the improvement you wish to make to your property will create an impervious surface (a surface or structure that is solid and will not allow water to pass through it), you must contact the Borough Engineer for a determination if a storm water management plan will be required for your project.

### **Building & Zoning Permit Application & Fees Information:**

There is a Non-Refundable Permit Application Fee that is applied to the total permit fee balance. Please refer to the adopt fee schedule for the municipality for more information.

\$95.00 residential zoning	\$150.00 commercial zoning
\$100.00 residential building	\$150.00 non-residential (commercial) building

*\*Should your project require both building and zoning approval, both application fees must be submitted.*

Make checks payable to "Wyomissing Borough".

Applications are submitted to, and permits picked up at the Borough office at the above address.
